NORTHERN TIER CAMP CADET

A cooperative learning experience
between law enforcement and the
community.

Established in 2001 by the Northern
Tier Camp Cadet, Inc.

What is Camp Cadet?

Camp Cadet is a five day experience for boys and girls between the ages of 12 and 13. They are exposed to law enforcement activities and are provided an opportunity to get to know police officers and other members of the criminal justice community on a personal basis.

Purpose

The purpose of Camp Cadet is to provide insight into police training and the overall expectations of a police officer. This program is a true-to-life experience, patterned after municipal and state police training.

The cadets are challenged by classroom instruction and physical activities. They are also taught self-discipline and how to work as a team player. When self-discipline of the cadet breaks down, push ups or other physical exercise are implemented.

Goals

The goal of the program is to teach the cadets more about the law and to gain a better understanding and respect for the law and the officers who enforce it.

As a part of the daily routine, the barracks are inspected. Cadets at all times are expected to show respect by addressing staff members as "Sir" or "Ma'am".

This program is not a recreational camp, nor is it a disciplinary camp for problem youth. The camp is designed to provide participants with better understanding of law enforcement activities as they learn self-discipline, make new friends, and work as part of a team.

The discipline training fosters a positive attitude, which helps many graduating cadets attain goals they once thought to be unattainable.

Cadet Qualifications

Camp Cadet is established for boys and girls, ages 12 and 13, who reside in Potter, Tioga, and Cameron Counties.

Location

Camp Cadet is held at Mansfield University in Mansfield, PA. Parents are responsible for dropping off at the beginning of the week and picking up their children at the end of the week.

Staff

Members of the camp staff are primarily local, county and state police officers. Some officers are assigned to the camp for their duty assignment and many use their personal vacation time to keep Camp Cadet operating successfully.

Other volunteers include teachers, Juvenile Probation officers, personnel from Potter, Tioga and Cameron County Children and Youth Agency and the Department of Emergency Services.

Fee

Those cadets accepted to attend are required to pay a registration fee of \$25.00. This covers the cost of insurance and is non-refundable.
