The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires that a number of non-law enforcement campus-affiliated individuals report crime statistics to appropriate police departments each year. Many individuals, and students in particular, are sometimes more comfortable with reporting crimes to non-law enforcement persons such as athletic team coaches, faculty and staff advisors to student organizations, residence life and housing directors, and others who serve in functional positions that involve relationships with students and who have significant responsibility for student and campus activities.

Whether you are defined as a campus security authority, you are a victim of a crime that occurs on our campus, you observe criminal activity, or if someone reports a crime to you, please contact the Mansfield University Police Department at (570) 662-4900, Doane Center 104. The department is open 24 hours each day of the year.

While it is important that the reporting requirements of the Clery Act be met, we also must accurately portray Mansfield University as being a proactive campus that works to ensure a safe campus environment for our students, staff, and guests.

Any questions can be directed to the Director of Police Services at (570) 662-4900, or via e-mail, cshegan@mansfield.edu.

Thank you in advance for your assistance.
Dear Campus Security Authority

The Clery Campus Security Act, a federal law that requires colleges and universities to annually compile and publish crime statistics for their campuses, requires that “campus security authorities” report crime statistics for inclusion in our Annual Security Report. The intent of including non-law enforcement personnel as campus security authorities is to acknowledge that many individuals, and students in particular, are sometimes more comfortable in reporting incidents to non-law enforcement campus-affiliated individuals. The function of a campus security authority is to report to university police those allegations of Clery Act crimes that he or she concludes are made in good faith, and the crimes are to be reported regardless of whether the victim chooses to file a report with law enforcement or to press charges.

Recent changes in legislation have expanded the interpretation of “campus security authorities” to include all employees and any person who provides security or monitors entrances to residence halls, buildings, or special events is also a “campus security authority”, as that term has been defined by the United States Department of Education. An example of a campus security authority who is a student would be a resident assistant or community assistant.

Because of the law’s complex reporting requirements, the most reasonable and effective way to manage the reporting is as follows. If you observe or have reported to you any crime listed below, immediately complete an incident report form and, as indicated on the bottom of the form, send a copy to me at 104 Doane Center. This applies to crimes on campus, public property (thoroughfares, streets, sidewalks, and parking areas) immediately adjacent to campus, and locations at which other approved college activities are taking place. Please ensure that you complete all information on the form based on the information you possess. Please do not investigate the crime or attempt to determine whether a crime in fact took place. Simply make the report. University police may later contact you or others to gather additional information. A copy of the incident report, which you may duplicate, a campus map, and definitions of crimes are all included here for your reference. Additional forms may be obtained from the Mansfield University Police, Doane Center 104, x4900, or by sending an e-mail to police@mansfield.edu.

**Crimes that should be reported are:**

- **Murder, negligent and non-negligent manslaughter**
- **Forcible sex offenses**
- **Non-forcible sex offenses**
- **Aggravated assault**
- **Robbery**
- **Burglary**
- **Arson**
- **Motor vehicle theft**
- **All liquor, drug or weapons violations resulting in arrest**
- **All hate crimes involving larceny-theft, simple assault, intimidation, or destruction, damage or vandalism of property**
- **or any other reported crimes involving bodily injury**
- **Dating violence**
- **Domestic violence**
- **Stalking**

If you are in doubt as to whether a crime is reportable, please err on the side of caution and report the matter. For purposes of your reporting, please assume that a hate crime is any crime manifesting evidence that the victim was selected because of the victim’s actual or perceived race, gender, religion, national origin, sexual orientation, gender identity, ethnicity, or disability of the victim.

Because campus security authorities play a critical role in Clery Act compliance, I will annually notify all appropriate individuals in writing that they are campus security authorities and explain what is required; provide information and any necessary training so that you, as a campus security authority, can be instructed what to do when a crime is reported to you, with emphasis on providing crime reports on an immediate basis to university police so that timely warnings can be issued to the community; and provide all campus security authorities with definitions of Clery Act crimes and geographic locations, as well as an explanation of the types of arrests and judicial referrals that apply to the Clery Act.

Thank you for your assistance in fulfilling these federal requirements. If you have any questions regarding reporting obligations, please contact me at Doane Center 104, x4900 or via e-mail at cshegan@mansfield.edu.

Sincerely,

Christine Shegan
Chief of Police
