

Class Attendance Policy

Effective Fall 2017

Regular and punctual class attendance is expected. Documented excuses because of illness, serious mitigating circumstances, official military service, or official university representation will be accepted by all faculty members. In these cases, faculty members will permit students to make up all graded course components without penalty in a reasonable manner at a time agreeable to instructor and student. Students must provide documentation before absences can be excused. All instructors are expected to make their class participation and attendance policies clear in the course syllabi.
