

**HOUSING AGREEMENT for FULL ACADEMIC YEAR or SUMMER SESSION  
2019-2020**

This Housing Agreement (hereinafter Agreement) for Full Academic Year Fall 2019/Spring 2020 or Summer Session is binding on students living in residence hall accommodations at Mansfield University of Pennsylvania (hereinafter MU).

**Carefully read the terms and conditions of the Agreement prior to accepting it.**

**I. INTRODUCTION**

All students living in residence halls agree to comply with the terms and conditions noted within this Agreement, all current rules, regulations, procedures and responsibilities set forth in the MU Residence Hall Handbook, the MU Student Code of Conduct, and any other relevant MU documents regarding on-campus student housing and dining. The relationship between the student and MU should not be construed to constitute a landlord/tenant relationship.

**II. GENERAL CONDITIONS**

This Agreement is between the University and the student (and the student's parent/guardian if under 18 years of age) when the student's signature appears on this Agreement. The Agreement is nontransferable.

Failure to comply with the terms of the Agreement may result in cancellation of the Agreement with possible financial penalties and judicial action at the discretion of Student Life & Living. During the term of the Agreement, MU reserves the right to alter any rates for housing or dining services. Rates are not guaranteed from one year to the next.

**III. ELIGIBILITY**

To be eligible for residence in on-campus housing, the student must be admitted and enrolled as an undergraduate, graduate or special non-degree student at the University and have paid required University fees. **Dropping below the university full-time course load of 12 credits per semester (nine credits for graduate students) and/or choosing online classes during the Agreement period does not release the student from the financial responsibility for the Agreement period.** In addition, the student must fulfill mandatory immunization requirements, as outlined in University policy and the *Student Health Evaluation Form*.

**REQUIRED MENINGITIS VACCINE FOR STUDENTS.**

Pennsylvania State Law requires all students living in University housing, to either have the meningitis vaccine or sign a declination statement after having received information concerning the benefits of receiving the meningitis vaccine. Students who do not either have the vaccination or sign the declination statement will not be permitted to reside in University housing.

**IV. TERM – LENGTH OF AGREEMENT**

The term – length of this Agreement shall be for the **ENTIRE ACADEMIC YEAR, SUMMER SESSION or period specified** at times when the University is in session or the student's official arrival date (whichever occurs first), until the day (24 hours) following final exams or period specified. The Agreement cannot be terminated or canceled except under the conditions cited in section XII of this Agreement.

**V. PAYMENTS AND FEES**

A \$100.00 non-refundable application fee is required for on-campus housing each academic year. **This fee may not be deferred, waived or applied to another semester.** If student has cancelled their housing, as per the terms of the

Agreement, the student may not use the “same” housing application fee to re-enter housing later, regardless of the reason you cancelled. A new housing application fee will be required.

Students living in the residence halls are required to pay residence hall fees and are also required to select one of the on-campus meal plans. Although this Agreement is for the entire academic year, housing and dining costs are paid by the semester upon receipt of an invoice from Student Accounts. Please refer to the website <http://www2.mansfield.edu/residence-life/housing-dining-rates.cfm> for the most recent information on residence hall and dining fees.

## **VI. ASSIGNMENT OF SPACE**

The University will not unlawfully discriminate in room or hall assignments on the basis of race, color, religion, national origin, ancestry, sexual orientation, or disability. The University further recognizes and appreciates the educational value of diversity and does not consider differing backgrounds, physical characteristics, race, religion, or sexual orientation acceptable grounds for honoring room change requests.

There is no guarantee that a specific hall, room or roommate preference will be honored. Also, criteria utilized for making roommate selections (i.e., non-smoker, smoker, course of study, etc.) cannot be guaranteed; however, these criteria will be met as closely as possible. MU’s inability to honor assignment preferences will not void this Agreement. Requests for re-assignment will be considered once the school year has begun if space is available with the approval of appropriate staff. If the student has a disability and requires special accommodations, please contact Student Life & Living in writing to [housing@mansfield.edu](mailto:housing@mansfield.edu) about the specific needs well in advance of the desired date of arrival.

MU reserves the right to: a) change room or hall assignments; b) relocate individuals or groups of individuals; or c) consolidate vacancies by requiring residents to move (see Consolidation Policy below). When a vacancy occurs, the University reserves the right to show the room and assign a new occupant. Furthermore, the University reserves the right to adjust housing assignments for the purpose of meeting American with Disabilities Act requirements, responding to disciplinary concerns, coping with unexpected fluctuations in the student ratio on campus or demand for housing.

The University does not have accommodations for married students to reside with their spouses or for students to reside with children. Minor children (a person under the age of 18), who are not matriculating students, are not allowed to spend the night in the residence halls unless it is a MU sanctioned event/program, as per the Protection of Minors Policy. When visiting in the residence halls during the day, minor children must have adult supervision at all times.

## **VII. TEMPORARY HOUSING**

If you cannot be assigned to a permanent space, a temporary assignment may be provided within the residence halls. When a permanent assignment becomes available, you will relocate as designated.

## **VIII. CONSOLIDATION**

Due to limited availability of certain assignment types, it may become necessary to consolidate students. All students who are residing in the affected rooms will be given the opportunity to: a) pay for the room in its entirety (space allowing); b) find another roommate; c) be assigned a roommate (if available); or d) be reassigned to another room.

Generally, students will not be required to move into other buildings, or other suite types. Student Life & Living will make efforts to keep students affected by the Consolidation Policy within the same building and floor (if available spaces exist). *Students without roommate(s) are encouraged to seek out roommate(s) or a new room/suite during the Room Change Period as outlined in the Residence Hall Handbook.*

Failure to follow appropriate procedure may result in financial charges, administrative action, or both. Unauthorized changes in assignments by residents will result in applicable University action, including but not limited to disciplinary action, fines and the return to the original assignment.

## **IX. BREAK HOUSING**

Students living in on-campus housing may not occupy their units during official break periods designated by MU, which typically include Thanksgiving Break, Winter Break, and Spring Break periods since on-campus housing and dining facilities are closed (notification will be sent prior to the break periods). Break housing will be provided in a designated residence hall location for international students, athletes participating in competition, student teachers or internship participants whose programs continue during a break period. Other students will be housed on a space-available basis in break housing and will be charged the daily fee at the current room rate for the number of days housing is provided. *During low demand periods, and due to safety considerations, the University may not provide break housing.*

## **X. VACATING**

Except as otherwise provided, the residence halls must be vacated: a) within 24 hours after termination of this Agreement or person no longer eligible as set forth in III above b) within 24 hours after a student's last final examination of the semester; or c) at the official closing time. Official closing notices will be communicated by staff prior to the close of each semester or break period. The student is responsible for reviewing email communications and for following checkout procedures and timelines.

Failure to check out properly (over any breaks, after release or upon termination of the Agreement) will result in a \$25.00 improper check-out charge and may include lock change and/or cleaning related charges.

If the student does not vacate the space assigned by the University at the conclusion of the period specified in this Agreement, or if the student does not remove all items of personal property from such space before the conclusion of the Agreement period, the University may remove all property brought into or permitted in the space by the student and restore the space. Any property removed by the University may be treated as abandoned property and disposed of accordingly. The University will not be liable for any damage to or loss of such property that occurs during the course of removal or disposal. The student shall pay all costs (minimum of \$100.00) incurred by the University in removal or disposal, and in restoring the space.

## **XI. DINING SERVICE**

Students residing in on-campus housing are required to choose one of the University's resident meal plans.

Upon notification or in cases of emergency, the University may adjust meal hours and dining service locations. Dining service is not provided under this Agreement during official break periods. Students who need to change meal plans may do so by submitting written requests to Student Life & Living no later than 4:00pm on the Wednesday before each semester begins.

## **XII. CANCELLATION/TERMINATION AND REFUNDS**

The Agreement is binding for the period of one academic year, fall and spring semesters, (or remaining portion thereof) or summer session, and may not be transferred or reassigned. **THE AGREEMENT WILL NOT BE TERMINATED IN ORDER FOR STUDENTS TO LIVE OFF CAMPUS, STUDY ONLINE, DROP BELOW FULL-TIME STATUS OR COMMUTE.** Students may be eligible for termination of the Agreement and a refund of the room fees under the following conditions:

- Withdrawal from the University during the semester automatically terminates the Agreement. Residents must withdraw with the Office of Student Retention, and notify Student Life & Living.
- A resident student is dropped from the academic rolls of the University, as determined by University policies (housing may be reinstated if the student is readmitted to the University during the Agreement period).

- A resident student graduates and will not engage in additional study at the University.
- A resident student is assigned to and can provide documentation of a Mansfield University approved internship, student teaching assignment outside of the Mansfield area (50-mile radius) or exchange program abroad in lieu of classes on the Mansfield University campus.
- A resident student leaves the Mansfield University main campus to attend class at the Sayre Campus.

**Applying for Release from the Agreement. A student seeking release from this Agreement must submit** a complete Housing and Dining Agreement Release Request form available upon request to Student Life & Living and provide specific written documentation in support of the request **to be considered for cancellation**. Upon review of the request, the University may permit residents to be released from on-campus housing and meal plan. A financial penalty may be imposed.

**Refunds of Housing and Dining Fees.** Students eligible for a refund of room and/or dining fees during the semester will have the refund balance calculated on a percentage basis, as implemented by MU and applied as a credit to the student's university account. During summer sessions, once the student checks into a room/suite, no refund is available regardless of reason for leaving. **Any refunds of housing and dining fees will be based on the date of official check-out (date keys are returned) from the residence hall.**

Students who receive federal and/or state aid and who withdraw from the University will have their aid recalculated based on federal and state regulations and may owe a balance to the University. Residents dismissed from a residence hall for disciplinary reasons are not eligible for a refund of room charges.

The University shall not be directly or indirectly liable for any loss or damage to any property regardless of cause. The University will not be liable for loss or damage to any article of personal property anywhere on the premises due to insufficient or excessive heat, cold, smoke, fire, water, steam, electrical surge, the elements, actions of third persons, or for ANY REASON.
