## SPECIAL INTEREST HOUSING

### Fraternity & Sorority Life Community

Those students involved with Fraternity & Sorority Life here at Mansfield University are housed in Spruce. This community enhances Fraternity & Sorority Life by attracting potential members and providing a residential site for organizations to flourish and expand.

**RESIDENTS WISHING TO BE PART OF THEIR FRATERNITY/SORORITY COMMUNITY IN SPRUCE MUST COMPLETE STEP I.** Fraternity & Sorority Life members, remember that special provisions still require a minimum of six (6) members of each organization to live on-campus to qualify for premium locations. Information on specific room selections will be sent to organization representatives.

### Upper-Class Independent Hall (UILH)

Upper-Class Independent Hall (UILH) is a unique residence hall that will embody the core values of the Mansfield Creed and is designed to cater to the specific needs of an upper-class student population as they prepare to graduate. Programs will be specifically geared towards career/life preparation skills such as graduate school searches, job searching, securing an apartment, proper business etiquette, etc.

UILH functions as a transition between on-campus housing and housing off campus, which is a reason why students are afforded increased levels of independence, notably the ability for 21+ students to consume alcohol on the specified floor within the 21+ Community (Sycamore 4<sup>th</sup> Floor). These additions also establish Mansfield University housing accommodations as direct competition with other universities that offer similar choices.
