

Student Teaching Planning Guide

Use Colleague Self Service to fill in the term and year (ex: F20) you took or plan to take each course in your certification area. All courses listed below must be complete in order to student teach. Each student is responsible for ensuring that the course requirements are met before student teaching and graduation. By turning in this form, you are recognizing your role and responsibility in ensuring successful completion of the requirements clearly identified in this planning guide. Student teaching and graduation may be interrupted if these courses have not successfully been satisfied prior to student teaching. Once you have completed this form, meet with your advisor to plan when you will take the remaining courses. **Keep a copy of this form for your own records.**
